

2007 - Ukraina Course together with Joerg Jerosch ( I have paid for my airplayn as well as Jorg one and his hotel since the company – S-N resign from sponsorship ), the aqipment was provided by me (pomp, instruments and implants) and I have paid for it personally as a priivate office.

2007 October – Shoulder Course in Bielsko Biała with Laurent Lafose (live surgeries) organized by dr Brzózka (he was the fellow of Dr Lafos) active support - lecture

2008 Zagreb – I have actively support the meeting (I have paid my travelling cost by my self)

2008 09 - 10,11 – prsentation of SECEC during our Polish Orthopaedivc Association Meeting in Poznań were I had a lecture

2008 10 – 11,12 - I organize the shoulder course under Polish Shoulder and Elbow Association (I have been the fouders of association) patronage with active support and participation of Marcus Wambacher

2009 – starts the first Polish fellow ship sposed by Polish Shoulder and Elbows Association for young doctors (four places in Poland – my idea)

2009 April – starts one week fellowship for doctor from Ukraina or /and Bialorus (my private felloship - clinical examination, USG course, participation in surgery and rehabilitation stratedy in my private outpatient office).

It is both a great peaty and first time that I can't take part in our meeting. I would like to kindly ask you for support to dr Lubiatowski applications. I stay for your disposal and I am redy to actively support all your activities.

Warm regards
