

Board of Directors meeting.

Brugge, 17th September 2008

Report from Spain.

Dr. Juan Bruguera

Membership

Nº members: 120

How to apply?: Application Form and instructions on the web page of the Society

Society

- Ex-Com meeting at least 4 times a year, normally in Madrid
- Congress of the Society is every two years
- General Assembly once a year.

Activities

- 2nd Instructional Shoulder and Elbow Course. 13-14 October in Barcelona. Only 25 participants. Lectures in the morning + Practical anatomy in the afternoon.
The Course is held the year when there is no Congress of the Society.
- Specialty Day at SECOT (Spanish Trauma and Orthopaedic Society). 18th October in Valencia. Normally practical cases for open discussion are presented.
- Next SECHC Congress. 12-13 March 2009 in Tarragona. President: Dr. Calmet.
- Next SECEC Congress. 16-19 September 2009 in Madrid. All the Spanish Society is supporting Dr. Calvo and Dr. Antuna.
- SECHC Patronage. Over the last year 4 Shoulder and Elbow Courses have got the SECHC logo. There are some rules for the applicants regarding hours, topics and faculty.

Fellowships

- Spanish Fellowship: Approved by Spanish National Training Committee. Is intended for last year training residents. Three months. There is a list of Designated Centers. The applicant can choose from the list. Application must have the approval of the Head of the Department.
- Abroad: Two fellowships. Anywhere in the world. Maximum 30 days. 3000€.

Web page

Running over the last four years. At this moment Dr. Fernando Martinez is in charge of it with great success.
