

Istanbul 2014 - Abstract Submission is now open !

We are happy to announce that abstract submission for our next annual congress is now open. The program committee of SECEC has decided to start the submission process early. This will allow us to evaluate the abstracts and to inform the authors in good time before the congress.

For further information about the congress please visit www.secec.org Instructions for abstract submission are detailed below in this newsletter.

We are looking forward to seeing you in Istanbul in 2014

General Secretary and Chairman Program Committee

SECEC Annual Congress in Istanbul, 2014

SECEC and **Mehmet Demirhan** (Congress President) are organising the next annual congress in **Istanbul, Turkey**.

It will take place in the **Istanbul Congress & Exhibition Centre (ICEC), September 17th – 20th, 2014**

Abstract Submission

Abstract submission for the Istanbul congress is open from **December 1st, 2013 to January 31st, 2014 (midnight)**.

You will find a **red button** for abstract submission on the right side of the **SECEC Homepage**. Click on it and follow the instructions.

The submission is open for all topics dealing with the shoulder and elbow.

When you have completed your abstract make sure you click on the submit button. You will then receive a confirmatory email with a copy of your abstract and a link. Clicking on the link brings you back to the submission page. You can modify your abstract as many times as you wish until the abstract submission closes on January 31st. After every modification you will receive an email with your modified abstract.

Please note: if you don't receive the email check your spam folder first. If it is not in your spam folder please contact SECEC (secec@wanadoo.fr).
