

CALL FOR APPLICATIONS

April 2016

Dear SECEC Members,

The Executive Committee of the European Society for Surgery of the Shoulder and the Elbow has decided to call for applications for the subcommittee members. This year several members of our subcommittees have to be replaced:

1 member in the Education Committee
3 members in the R&D Committee,
2 members in the Membership Committee,
3 members in the Rehabilitation Committee,
4 members in the Program Committee.
1 member in the Qualification Committee.

It was decided and voted at the last General Assembly in Milan the creation of the **Registry Committee**. This Committee will include **4 members** and the Chairman who will be member of the Executive Committee.

The role of these committees and their members is quite important for the society's life and future activities. Please visit our website www.secec.org to look at the numerous activities initiated and supported by these committees.

The appointment of these members will be voted at the General Assembly in Antwerp, September 2016.

The deadline for applications is June 1st, 2016.

For further information please contact our central office:
secec@wanadoo.fr

Frank Gohlke
President of SECEC
