

ESSSE/SECEC PATRONAGE

- The President of the congress or of the course must send a written request for patronage to the Chairman of the Education Committee. The Committee is only accepting applications in English. This application must include a very precise pre-programme, or a final scientific programme, exclusively dealing with shoulder and/or elbow pathologies, and translated into English. The programme must offer a high scientific interest. The list of the scientific committee members must be given to the Education Committee and at least two members of any ESSSE Committee must be members of the scientific committee.
- The first - announcement or the final programme will be printed after receiving the written agreement from the Education Committee Chairman.
- The vintage ESSSE logo must be placed on the bottom, on the left of the first page of the programme, with the sentence « under the patronage of the ESSSE ».
- The sentence « Under the patronage of the ESSSE » must be printed on any announcement of the congress or of the course published in the scientific journals, or on any poster or slide and the logo must be placed on the bottom, on the left of the poster or announcement.
- The organizing secretariat of the congress or of the course will be asked to send a printed list of participants with names and addresses, or on a WORD computer disk
